

BARCOMBE FLOWER SHOW

Every cloud, they say, has a silver lining. And so it proved: this year's cloudier, cooler weather delivered a wealth of top-quality produce for the Autumn Show. In fact the displays of flowers were the best yet, generating hot competition between the dahlia growers! Entries in the flower, vegetable and cookery sections all remain high, but next Spring it would be really good to find more competition for the Photography and Children's prizes. So there's plenty of time to sharpen your skills..!

Results, Autumn 2021
