

BARCOMBE FLOWER SHOW

SPRING EVENT 2023

It must have been magic. After days of grey skies, just as the Show opened for the afternoon, the sun arrived! The Hall buzzed as we all caught up with old friends and welcomed new visitors. A cold March had prompted a fine display of daffodils; the cookery table was groaning with delicious treats, and the Children's competition had really hot-tered up - some of the youngsters even took on the adults, producing some stunning Easter Bonnets. It's always good to see new competitors, and when the marks were totted there were plenty of different names amongst the winners. Competition was definitely strong!
